

MEMORANDUM

The City of
OKLAHOMA CITY

Council Agenda
Item No. VII.AQ.
8/30/2016

TO: Mayor and City Council

FROM: James D. Couch, City Manager

Resolution approving Final Plans and Specifications to be advertised for bids, Project M3-S007, MAPS 3 Modern Streetcar mainline. Wards 6 and 7.

Background

As a part of the MAPS 3 Program, The City of Oklahoma City will construct a modern streetcar system in Bricktown, Central Business District, Midtown, and Automobile Alley.

The Final Plans and Specifications process began following approval of the Preliminary Report. The engineer met with the MAPS 3 Transit/Modern Streetcar Subcommittee and City staff to receive comments and finalize the plans and specifications

The project meets all design requirements and is under the construction budget. Upon approval of the final plans and specifications, the project will be advertised for bids to be received in October 2016 with construction to begin in November 2016.

Bids Receipt Date October 11, 2016

Architect Jacobs Engineering Group

Estimated Construction Cost \$58,277,000

Review MAPS Office

Recommendation: Resolution be adopted.
